**Sub : Re-Opening of National Portal for Rabi19-20 under Pradhan Mantri
Fasal Bima Yojana & RWBCIS- reg.**

Madam/Sir,

This is pursuant to the request received from various States for re-opening of National Crop Insurance Portal (NCIP) for Rabi19-20 as some data still remains pending for entry by the banks on the NCIP due to various reasons.

2. It is observed that the premium remitted by the banks to the ICs does not match with the data uploaded on the NCIP which indicates that either the banks have remitted excess amount to the banks or they have not completed the exercise of data entry despite that the portal was opened for the season beyond stipulated time.

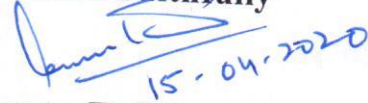

3. In view of this it has been decided to re-open the portal from 20th to 27th April, 2020 and all banks are instructed to complete the data entry during this period. As per the revised OGs any claim liability arising out of any case in which the premium amount has been debited by the bank but where the concerned data has not been fed by the banks on NCIP shall be borne by the Banks. This Department shall neither grant any relaxation or extension in the matter nor shall admit or address any dispute arising out of this lapse on the part of the Banks. The ICs having extra amount compared to the data available on the NCIP after 27th April,2020 may refund the said premium amount to the

concerned bank branches and shall furnish the branch wise details the State Governments.

4. The banks are directed that all pending entries are duly entered on the portal. It has been indicated by the insurance companies that re-opening of portal often leads to moral hazard therefore the banks may refrain from selective entries. If any such case is reported, the same shall be referred for enquiry. The State Governments in co-ordination with the insurance companies may also ensure that all pending data is fed by the banks during the extended period.

5. SLBC and the States are advised to circulate these directions immediately to all Commercial Banks, State Cooperative Banks(SCBs)/DCCBs and RRBs.

Yours Faithfully
